#### **February 2025 Meeting Summary:**

The STC discussed letters of support for projects such as the East Pass and received grant updates from SASJBEP staff. The STC recommended approaching letters from the science point of view and adhering the National Estuary Program guidance. The STC also discussed where the East Pass would align with the CCMP and what science should be evaluated related to the East Pass opening. Additionally, the STC heard updates on the C-STARS, UWF-SAS, FDACS and Marine Debris grants.
