STORMWATER COMMITTEE

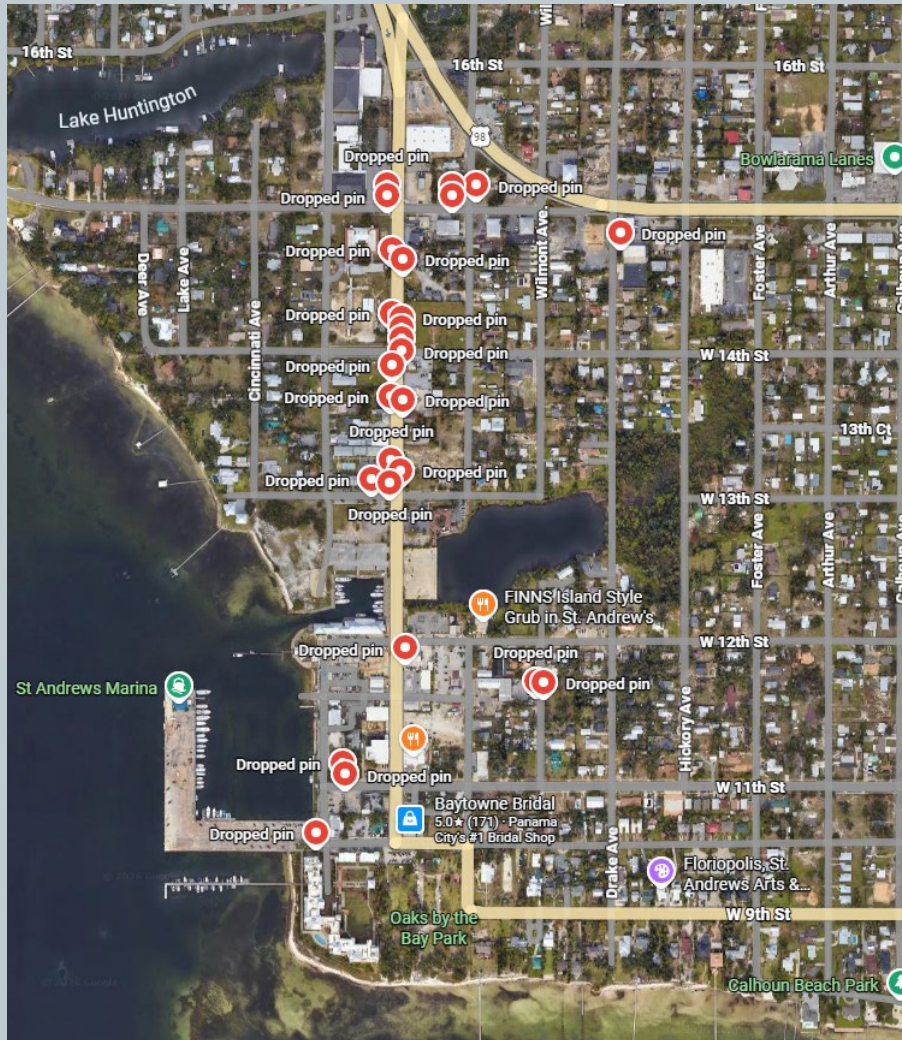

08.05.2026

AGENDA

- Adopt a Storm Drain Check-in
- Marine Debris Check-in
- Resilient Florida Grants
- 2026 Schedule

ADOPT A STORM DRAIN UPDATES

SASJBEP staff have identified possible locations in Parker, Panama City and Lynn Haven based on general area recommendations (near schools, etc)

View the map here:

<https://maps.app.goo.gl/jKDWUqLfaj3TJxAc6>

MARINE DEBRIS UPDATES

- New LittaTraps
 - Coordinates to NOAA for permit review
 - Measurements
- Murals
 - No road or sidewalk due to law

STORM DRAIN STENCILS

- Design feedback?
- Would you prefer to stencil or have SASJBEP do it?

RESILIENT FLORIDA GRANTS

Apply for a Grant

Visit the [Grant Application Portal](#) to submit an application to the Resilient Florida Program. The 2026 Resilient Florida [application portal](#) opened for submittal on July 1, 2026.

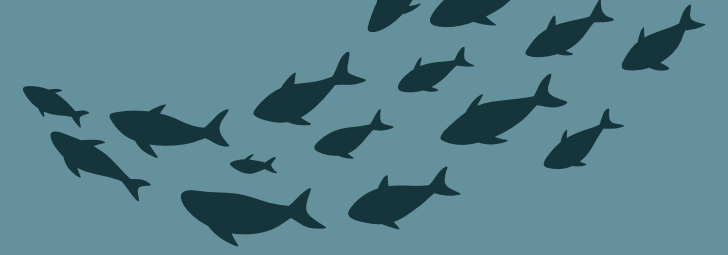

Implementation projects to be included in the Statewide Flooding and Sea Level Rise Resilience Plan: Applications accepted July 1 - Sept. 1, 2026.

- Local governments are eligible to apply for implementation project funding after conducting a vulnerability assessment that demonstrates a risk of flooding or risks due to sea level rise to a critical asset or the project area. The [Comprehensive Statewide Flood Vulnerability and Sea Level Rise Assessment](#) may also be used to demonstrate this risk.
- Projects will be funded with Fiscal Year 2027-28 allocations.

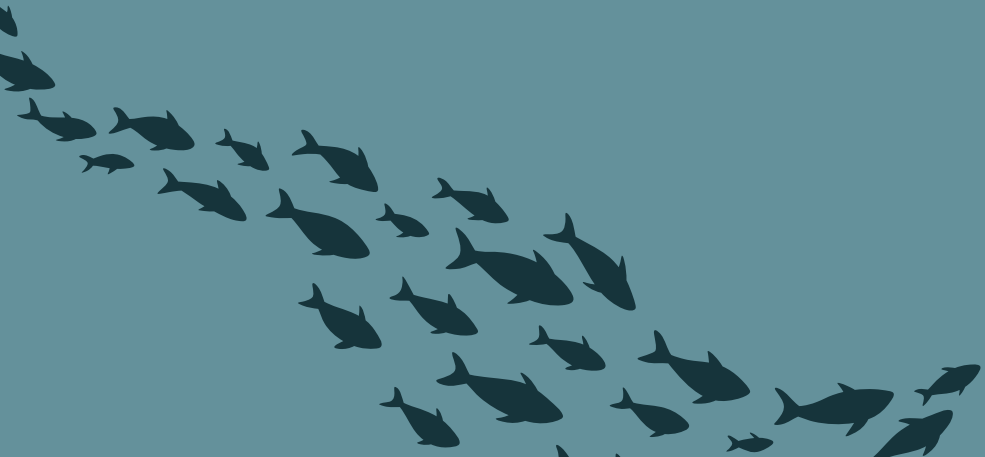

Planning projects and regional resilience entities: Applications will not be accepted for the 2026 application cycle.

Office hours by DEP hosted through August 2026

2026 SCHEDULE

Last Meeting for 2026 is scheduled for November 18

THANK YOU!
